AMENDMENT

Hon: Assistant Commissioner for Patents
Washington, DC 20231

Sir:

This amendment is in response to an office action of
January 15, 2003 in connection with the above -identified patent
application.

REMARKS

Claims 1-20 have been rejected. Claims 1-20 remain in the
case.

REJECTION OF CLAIM 1

Claim 1 is rejected under 35 USC § 103 as being obvious over
de Keller. In support of the rejection, the office action cites
bits of de Keller. The citing of the bits is a way of using
Applicant's disclosure as a road map through the prior art to
formulate a rejection, which is an example of a prohibited use of
hindsight. Moreover, a result of citing the bits is that exactly
what de Keller discloses is disguised.
